Miami Dade College
American Council on the Teaching of Foreign Languages (ACTFL)
Effective: April 16, 2020

General Information

Miami Dade College uses the minimum scores, credits, and guidelines for awarding credit for exams established by the State of Florida's Articulation Coordinating Committee (ACC). The chart below indicates how ACTFL credit will be utilized at MDC. Students transferring to a public senior institution within the State are assured that ACTFL credit will transfer when earned as a part of a completed Associate in Arts degree. However, it is the student's responsibility to contact the senior institution if any question exists concerning the acceptance of ACTFL scores.

All interested students are encouraged to see an Academic Advisor before registering for ACTFL examinations. Students may earn up to 24 credits at MDC through the ACTFL credit-by-exam option.
